HIGH SCHOOL ECHOES

Prepared Weekly by the English Literature Class

Mrs. Shell reports that she is well pleased with the progress of her music classes.

Miss Trippeer went to Linneus Tuesday to vote at the annual election. Miss Barber went to Brookfield for the same purpose.

Miss Slusher is back on the teaching force after seven days' absence on account of illness.

Miss Fern Thurman, a former student of Laclede high school, who now lives in Richmond, was here visiting Sunday and Monday. She visited school Monday morning. Everyone was glad to see her.

Both boys' and girls' basketball teams will play Shelby on the Laclede court this Friday. Are you coming? We will look for you. The people of Laclede are showing more school spirit in the last few weeks than ever before. We all wish to thank

you for the interest you have shown, and hope that your interest will increase as the season goes on.

The history classes are getting along nicely in their study of "The Literary Digest," and are enjoying it more and more.

The basketball team of Forker came last Friday to play return games with us. The girls fought hard and with a "heap of pep," but had to take defeat in the end. The score was 16-12. We do not feel the defeat very seriously because Forker played an outside girl, a former member of the first team at Kirksville. At the end of the first half, Laclede requested that the Kirksville player be put out. During the second half, not a score was made by Forker. This was the first defeat the girls have had. At the end of the game, fifteen rahs were given for Kirksville. The boys game was a very interesting one. When the time keeper called time out at the end of the last half, the score was 20-20. They played for five more minutes, and then the score was 26-20 in favor of L-A-C-L-E-D-E. Hurrah for the boys! It was the first game

the boys have won and we are hoping it won't be the last one.

Because of the boys' basketball victory last Friday, the girls gave a weiner roast that evening in their honor. All met at the home of Gladys Anderson, and from there, they went to Brendahls' pasture. They built a fire, roasted weiners, and toasted marshmallows. After that, a few games were played, and then the homeward journey was made. Everyone reported a good time.

The girls' basketball team played Meadville on the Laclede court election day. The score was 17-8 in favor of Meadville. This is the second defeat our girls have had.

Examinations are over and regular class work has begun again. We have all resolved to do our very best during the second quarter. During the first quarter, we had to adjust ourselves to school work again, and now we feel better able to do good work.

Miss Trippeer—(In physical geography class) "What is space?"

Student—"I can't just explain it, but I've got it in my head."
